"The sight of 600 school children forming living Confederate battleflags was one of the many novelties which greeted the visitors at the unvailing greeted the visitors at the unvailing described by the greeter the control of the country to the control of the country. In addition there will be important in rescue work. It is declared that in serious gas explosions in mines hundreds of lives could be saved were it possible for the rescue party to control of the country. It is declared that in serious gas explosions in mines hundreds of lives could be saved were it possible for the rescue party to control of the country. It is declared that in serious gas explosions in mines hundreds of lives could be saved were it possible for the rescue party to control of the control of the newspaper man's capabilities, had conveyed an instance man's capabilities, greeted the visitors at the unvailing ceremonies attending the Stuart monument exercises. The children were in red, white and blue. Each wore a solid costume, and by means of a system of cated or burned to death.

The next few days Mr. Clark wrote his lam's death, Gea. Lee wrote to reest dent Davis recommending that, notwith-also President of the Naval Medical dent. The manuscript came back to the with numerous changes, and was he should be made a Lieutenant-Colonel. From attending the meeting in London their comrades are slowly being suffocted and several more rewritten and the fresh copy submitted. This, too, was altered, and several more cated or burned to death.

School at the Capital, has just returned the should be made a Lieutenant-Colonel. From attending the meeting in London of the International Red Cross Association, which convenes once every five sent the promotion nomination to the top of the Naval Medical dent. The manuscript came back to the with numerous changes, and was he should be made a Lieutenant-Colonel. This, too, was altered, and several more rewritten and the fresh copy submitted. Senator was confirmed. Culberson expresses the opinion that this was the most remarkable honor conferred on any man during the civil war. The incident appears to be not well known, as most post-bellum writers the Central Committee, and Ernest refer to Pelham as Major, the rank he Bicknell, of Chicago, who did such magrefer to Pelham as Major, the rank he held when he died.

R. A. Ballinger, the new Commission er of the General Land Office, has that is supposed to be characteristic of all the people of that great West whence he came to the Capital. The germ of the "Government stroke" has not affected him-not yet, at least-and his activity frequently provokes comment. A day or two ago he attempted to enter the Land Office Building after hours. and was incontinently halted by the more or less argus-eyed doorkeeper. "Here, you can't come in here," said the doorkeeper. "Who are you, anyway?

"I am Commissioner Ballinger." was Commissioner Ballinger whom you have stopped three times before this."
"I beg your pardon a thousand times, sir," said the crestfallen employe hope you'll overlook what I've done. The truth of the matter is that you get about so quickly that I've never had a chance to get a good look at you. That's the reason I didn't remember you."

The ardent temperance class in the Methodist Church in Indiana is said to be opposing the selection of Vice President Fairbanks as a Delegate to the Quadrennial Conference of the Church, to be held in May, 1898, on the ground that he caused cocktalls to be served at the luncheon to President Roosevelt when he was here at the Lawton Monu-

ment dedication.

It is said that Mr. airbanks wants to be a Delegate. Next May would be an opportune time for Mr. Fairbanks to appear as a member of a great religiou

Books may be made up of one unit or more—but not less. The cover counts as two pages. Each additional 100 copies, 12c. per page.

The paper is the best antique laid 100-lb. book paper, and pages uncut measure 6 1/4 x 9 1/4 inches; cut, 6 1/2 x 9 1/2 inches.

The type matter measures 4x7 inches and is set in 10point type. The page contains about 400 words.

Pen-and-ink illustrations may be inserted in the text without extra cost. Half-tones must be printed on different paper and tipped in the book, which costs extra. We furnish all kinds of illustrating matter and cuts at very reasonable prices.

Binding in cloth or leather varies according to style and quality desired, and is charged extra.

The copy must be fully edited, and properly prepared for the printer, and must be typewritten, reprint or very legible handwriting. Any alterations from original copy after being set in type will be charged for extra, according to time consumed, at the rate of 70c. per hour.

Cash must accompany all small orders, and a deposit with large ones.

The plant of THE NATIONAL TRIBUNE is such that this or any other kind of printing can be turned out in the quickest possible time in the best possible manner. PRINTING,
